*The Breeze Agent Bonus is being offered at the sole discretion of Breeze, is subject to change at any time, and is subject to acceptable business quality. The starting date for a respective agent's 90 day bonus period is determined by when said agent received their co-branded agent landing page. A "paid case" is defined as a case in which the client submits an application, is issued coverage, and the initial premium is paid. Bonus amounts are determined by the time window that the client application is initially submitted in: \$500 for 0-30 days, \$250 for 31-60 days, \$100 for 61-90 days. Agents may earn bonuses on up to three paid cases in their first 90 days for a maximum of \$1,500 in total bonuses.
